Mission Statement - Sunshine Foundation answers the dreams of children, ages three through eighteen, who have severe or profound physical/developmental/intellectual challenges or trauma from physical/sexual abuse, and whose families cannot fulfill their requests due to financial strain that the child’s illness may cause.

Resort Retreat for Tyler

When Tyler's original dream of a cruise was canceled due to COVID, his family made alternate vacation plans to an autism-friendly resort. “Thank you Sunshine Foundation for this once in a lifetime opportunity. This place has been hands down amazing with my son. Tyler has had the most amazing vacation ever!” --Megan, Tyler’s mom

Tyler, 16, with low-functioning autism, enjoyed the beach, swimming with dolphins, and an overall wonderful vacation with his family.

Thank you to the MW Components, Atlantic Spring Division for granting Tyler's Dream!
Summer Dreams Come True

Bobby’s Wheelchair Swing

“Bobby was so excited to try out his wheelchair swing for the first time today. He kept saying, "Really? I can't even believe it that I can have my own swing at my own house!" Bobby loves to swing and having an accessible swing in his own yard will provide countless hours of fun, relaxation and smiles. We cannot adequately express our deep appreciation for this wonderful gift!” --Bobby’s family

Bobby, 11, with cerebral palsy, had his wish granted by the Sunshine Foundation All Volunteer Cape Atlantic Chapter, thank you!

Katelyn, with Down syndrome, had an amazing trip to New Orleans with her family!

“Katelyn had the best time on her dream trip to New Orleans! She had so much fun that she didn’t want to leave. She loved the Jazz music that we got to hear everywhere! Her favorite thing was holding the baby alligator and letting it bite Moma’s finger! Cafe Beignet was her favorite place for beignets. She mastered riding the Streetcar ‘not trolley’. Thanks so all for making Katelyn’s dream come true!” -- Angela, Katelyn’s mom

Thank you to our All Volunteer Cape Atlantic Chapter for making Katelyn’s Dream Come True!

Briella absolutely LOVES her swimming lessons! She had been struggling to learn the days of the week but now she is very clear about it because "after Tuesday comes WEDNESDAY WHEN I GET TO GO SWIMMING!" Thank you so much for making Briella’s dream come true!” --Darlene, Briella’s mom

We are so happy to see how much seven-year-old Briella, with Down syndrome, is enjoying her swim lessons! Thank you to Wireless Zone Foundation For Giving for making Briella’s Dream Come True!

Thank You!
Christianna, 16, is recording her own music through her Dream Come True! Christianna doesn't let aniridia and glaucoma, a very rare eye condition that has left her legally blind and very near-sighted, slow her down. She sings, plays music, and even writes her own songs. The Morning Call paper captured Christianna's delight, “I had wanted to do this for many years and it’s just really unbelievable. I think if you had told me years ago, I was going to be recording a song I never would have believed it.”
