Jonathan's Outdoor Swing Set

Jonathan, 11, with low-functioning autism, loves his new Outdoor Swing Set. *"Often at playgrounds other children are bothered by Jonathan's atypical behaviors. Jonathan now has a safe space to do all his favorite things freely! He can get exercise and fresh air, and enjoy time playing with his siblings."* - Jonathan's Family.

Thank you to the **All-Volunteer New Castle County Delaware Chapter** for answering Jonathan's dream!
